

## ANNUAL GENERAL MEETING

Notice is hereby given that the 2019 Annual General Meeting of the British Cave Research Association will be held on **Saturday 19 October 2019** at 12:00 during the BCRA Cave Science Symposium at the British Geological Survey, Environmental Science Centre, Keyworth, Nottingham, NG12 5GG.

Information about the Science Symposium will be posted to the BCRA News Forum. Please contact the Science Symposium team if you have any queries on how to get to the venue. There will be a short break in the symposium immediately before the AGM, to allow the admission of anybody who is waiting to attend the AGM, but who is not already in the room.

**Important Notice** Please note that this Notice of Meeting does not include any agenda papers. Neither will the Agenda papers (notably the Council Report and Accounts, the Minutes of the 2018 AGM and any motions received by the secretary) be distributed on paper at the meeting. Anyone wishing to view the agenda papers should either download them from [bcra.org.uk/agm/2019](http://bcra.org.uk/agm/2019) in advance of the meeting or request a copy from the secretary by email to [bcra-secretary@bcra.org.uk](mailto:bcra-secretary@bcra.org.uk) or write to him at 12 Well House Drive, LEEDS, LS8 4BX.

BCRA's publication, **BCRA Annual Review 2018** will contain the 2018 Council Report and Accounts. It will be available for free download prior to the meeting. For those who do not want to print their own copy, a small number will be available to purchase at the meeting at an expected price of £5.

**Keeping in touch with BCRA** It is a fact that communication, these days, tends to rely less on paper than it used to. So, in order that you do not miss out, please ensure that you are subscribed to our email list (instructions at [bcra.org.uk / news](http://bcra.org.uk/news)) or take a regular look at...
